From: Dutta, Shubham
To: Nessler, Randy A

Dear Dr. Nessler,

Thank you. I will acknowledge Karla Daniels, who took the image, as well as the Central Microscopy Research Facility and the University of Iowa.

Regards.

Hello Shubham,

We allow the non-commercial use of images. Please acknowledge Karla Daniels, who took the image, as well as the Central Microscopy Research Facility and the University of Iowa.

Regards,
Randy

Subject: [External] Permission to use a confocal image in a book chapter

You don't often get email from shubham.dutta@umassmed.edu. [Learn why this is important](#)

Dear Dr. Nessler,

I am in the process of writing a book chapter on dendritic cells. I found an image that belongs to your core. If you could please let me use it, I will be obliged. The picture is attached.

Thank you and let me know if you have any questions.
